

KCC Transporting Children Policy

Introduction

All clubs must have a policy relating to transporting children to and from matches and training. All clubs must ensure that they have notified parents/guardians that parents/guardians are responsible for the safe delivery and collection of their child for matches and training.

Club Policy

- Coaches/team managers will be responsible for the children in their care when on the club premises for junior training and matches or on arrival at opponents' cricket grounds. It is **NOT** the responsibility of the club, coach or team manager to transport, or arrange to transport, the children to and from the club or match.
- Parents are responsible for ensuring children arrive at the club for training/matches/events and away fixtures/festivals. This includes any car sharing arrangements with other families. The club cannot accept responsibility for such arrangements.
- Changes to arrangements for transportation between parents should be notified to the coach/team manager in advance of events.
- The club also operates a Pick up/Drop off Policy which should be read in conjunction with the Transporting Children Policy.
